**NOTE: THIS IS NOT AN EXTENSION REQUEST FORM.**

- This form is to be used to submit any payment of tax when an extension has been requested or is enforced.
- When a taxpayer receives an automatic extension of time in which to file a Federal return, Georgia will honor that extension. No penalty for late filing will be assessed if the Georgia return is filed by the extended due date of the Federal return. However, the tax must be paid by the statutory due date. The extension is for filing the return only and does not extend the time for paying the tax.
- The amount paid with this form should be claimed on the completed return as estimated tax. Form 500 filers should enter the amount on Line 20, Page 2. Form 501 filers should enter the amount on Line 11, Page 1.
